

RPG GRANITE

RPG, a sister concern of MCI - Marble Centre International was - born out of growing demand for indian & imported granite. Since it's inception in 2000, the company has seen exponential growth which has resulted from total customer satisfaction with superior quality & exotic stones from all over the world.

We have added yet another **"Exotic Stone Gallery"** with more than 100 most exotic granite & quartzite of the world. Visit us to have the "Exotic Experience".
